Quality, Affordable Health Care for Your Whole Family

Quality Care

Every member of our community deserves to receive quality healthcare services from qualified professionals. All of our providers are board-certified, with many years of experience in our community.

Every member of our community deserves to receive quality healthcare services in a quality healthcare facility. Our facility was built and has been in operation since 1993. We offer on-site lab and x-ray services.

Affordable Care

Affordable health and dental care is available to every member of our community through our facility. Every client has access to quality healthcare services regardless of income.

Care services are billed on a sliding fee scale based on household income. Our facility also accepts all major insurance plans as well as Medicare, Medicaid and Kids Connection.

Comprehensive Care

Our facility offers quality health and dental care services to all members of the family, including specialized care in pediatrics and geriatrics. We are able to provide for a variety of healthcare needs, including school physicals, DOT physicals, well-baby check-ups, prenatal care, and regular family practice care.
